“ I miss you so much mawmaw I had a dream about you last night and cried because I was talking to Geoff about how you made me who I am today. I got a big tattoo with your name, flowers that grew in your yard and says my guardian angel because of the pillow you got me when I was little. If it wasn't for you the state of GA would have me and I wouldn't have had a chance at life. You are the reason I'm okay today and have a life. I'm forever going to be your girl and only your girl. I love you so much mawmaw. I miss you more than words can describe.
