“ *I met Lemuel (Griff) through my sister Della in College Park, GA. He was always a kind, considerate and generous person. Griff was a fun and loving person. He will be greatly missed but he is at peace and his suffering is over.*

“ I met Lemuel (Griff) almost 15 years ago, we were members of the Waffle House (Virginia Avenue, College Park, GA) Country Club. A diverse group of people that met after work to drink coffee, rehash our day and solve the problems of the world, Griff being the moderator. Griff loved to talk!!! He would talk so much, I coined the phrase "Shut Up Griff". I can say he was a wonderful friend, a caring, kind, loving and generous person. He loved his family and his friends. On many occasions he came to my rescue. He was present at the homegoing services for both of my parents and I regret that I am not able to be there physically for his. I will miss him as will everyone that know and love him. But thanks be to God that the troubles and pains of this world is behind him, "absent in body, present with the Lord". Griff is at home with our Father, talking his ear of about everything from politics to why it took Him so long to bring him home. "Shut Up Griff"
