“ I have been out of area for a while and just heard of Brother Leon' s passing. My deepest sympathies to Jay, Elaine, Joe, and all family and friends. When we bought a farm close to his, Brother Leon' was the first neighbor who stopped and welcomed us with that beautiful smile of his and invited us to church. In later years, I worked as a part time care-giver for him and he had a sweet spirit and was not any trouble ; he just wanted to go back to work on the farm. He is missed. Love to family.
