“ *My thoughts and prayers are with you all ...so many memories live on eternal that death can not touch...may they comfort you as they do me.*

My favorite one is sitting on his knee when I was just a young girl. He would sing "Get a-long home Cindy, Cindy and save a kiss for me" then he would kiss me on the cheek really quick....I was so shy...it would embarrass me to death but I thought I was a princess sitting on his knee like that...He always made me feel like I was a somebody and I'm grateful for that...He will always live on in my memories

To aunt Audrey, I send my biggest and tightest hug...I love you and think of you often....

God bless you all and may he grant you a sense of peace and comfort in this difficult time...
