“ To my Amazing Sweet and Loving Aunt Jo..... My heart has ached because I was unable to attend your memorial service because I was in the hospital recovering from a major abdominal surgery to remove a cancerous tumor that was found suddenly. I know that you understand why I wasn't there because you and I shared a special bond since I was just a little girl. As saddened as I have been , I know that you understand and I know that you know that I loved you always and that is what matters most to me..... Love you so much, Love your Niece, Sharon Calhoun Morris

“ When I think of Jo, I will remember the first time I saw her and Carla at church when she and Carla came into our class room..she was always smiling and when she spoke it wasn't about herself, it was always about Carla or one of the three grandchildren..she was always concerned about them.. the last time I saw her was a good while back when I saw her at church and she told me how good it was to see me, that she had missed me and loved me.. I do not take this lightly..she meant a lot to me and I wish I could have had the opportunity to say goodbye..Carla, she always loved you and your children.. always remember that.. All of you will be in my thoughts and prayers..Love Peggy Redditt

“ I really want to express the happiness and love she brought to my children, Marcela and Sara. She also went far and beyond to help Francisco. The love she held was precious and never will be forgot. Sending hugs to Carla, Lamar, Jefferson, Peyton and sister Robin.

“ I am sorry to hear about JO. May the God of all comfort be with you. I have often found much comfort in God's promise found in Revelation 21:4. "He will wipe out every tear from their eyes, and death will be no more."

“ Dear Carla, Lamar, Payton, and Jeff,
You all have my deepest sympathy. I can tell you that she truly loved each of you and that if God had not been ready for her, she would loved to have stayed here with you.
I loved Jo and remember the very first morning she and Carla walked into our Sunday School Class. We enjoyed going to Church with all of you.
May God bless and lead you in the future.
Love,

“ My memories of Miss Jo is how much she loved, cared for and worried about her grandchildren. I remember her to always be hard working, taking care and providing for her family. I also remember how she was so encouraging to me about my preaching. She made me feel like Billy Graham! We are going to miss her. I am praying for all the family and friends during this time of grief. May the Lord bless and keep you all.
