“ *I remember when Mase was about 9 LeMerle brought him into our shop and he picked out a knife in a case he wanted to give his dad for Father's Day. He was so sure that's what he wanted him to have. He was the diamond in his family's eye. You never doubted he was loved. To the family it's a hard time but no doubt God is gathering his army and he needs strong young men and women to fill the rolls as well as older people. As hard as it is know he's with God his Father preparing for the war to come. Never forget his love and his memories will always be with you and soon we will all join him in heaven with our Heavenly Father. Love to all y'all in this time!!!*
