

## Mrs. Maxcine Geter Stewart

March 20, 1940 - June 28, 2021

Maxcine Geter Stewart of Bowdon, Georgia entered this world on March 20th 1940. She traded it for a new home with her Maker on June 28th 2021. There is no doubt she heard our Lord say "Well done, my faithful servant."

Maxcine was the oldest of five children born to JL & Ina Geter. She was taught to work hard from a young age. It was a trait passed from mother to child for many generations, a trait Maxcine valued and shared with her girls & grandchildren. Most who knew her would agree she was one of the hardest working women they knew. Commitment was another virtue she inhibited. In 1958 she pledged her commitment to Curtis Ray Stewart. When she said "till death do us part", she meant it with every fiber of her being. Life together on the farm brought many unexpected twist and turns including five beautiful girls; Rita (Walt) Mintz, Ronda Phillips, Robbie (Tim) Caldwell, Lorie (Scott)Teal, Kelly (Chuck) Yarbrough. Curtis and Maxcine had 13 grandchildren; Scot, Jay (late), Lee, Erin, Stewart, Nathan, Ethan, Eli, Tori, Josh, Jessie, Sammie and Maggie and 4 great grandchildren, Grayson, Reed, Oak and Tessa. After Curtis passed away, Maxcine married Ed Wheeler who loved her with all his heart.

Maxcine retired as a bus driver from Carroll County School System. She worked hard on the family farm every day her body would allow. She was a member of Sardis Baptist Church where she loved singing in the choir. During her last days on earth, she enjoyed beautiful flowers and precious visits from family and friends.

Funeral services will be held on Thursday, July 1, 2021, 2:00 at Sardis Baptist Church. Reverends Kevin Geter, Greg Norred and Darnell Teal will officiate. Interment will follow in the church cemetery. Prior to services, her body will lie-in-state at the church from 1:00 until the funeral hour.

The family will receive friends at the funeral home on Wednesday, June 30, 2021 from 4:00 until 7:00

“ Thinking of you all! Maxcine was blessed with 5 girls that turned into beautiful women and each had certain traits of her that will be carried on. Her legacy will live in each of you! I have many fond memories of growing up and staying with them all. We had fun but we also worked. Hard working woman is an under statement for Aunt Maxcine She could do anything a man could do and I always admired her strength, determination and knowledge. I looked at her and saw such a resemblance to the other hardest working woman I knew, my Mawmaw Ina Geter. She will be missed, but she's in a much better place and has joined many other loved ones gone on before her. Praying for peace for the entire family! Love you all!  
LOVE, KRISTI

“ My fondest memories of Aunt Maxcine was getting to go to her house and spend the night with Rita and Ronda. Robbie and Lorie were a little younger than us and Kelly had not yet been born. I loved the times I got to help when they'd deliver the baby chickens. And you better believe if you went to Aunt Maxcine's house there was some type of work you'd have to help with. But one thing I never knew until I became an adult was that when I was a kid I was bad about wanting to play dress up and I would get into her closet and pull out her high heel shoes to wear. Aunt Maxcine never got on to me but I later learned she told my Momma everytime I'd visit "That Donna drug out every pair of shoes I had!". There was so many fond memories I have from visits to her house and I will treasure those forever. May you rest in peace Aunt Maxcine!! Love Donna

“ She was one of the best neighbors, adopted mamas, I loved her just like she was mine, and a great friend! She stood for what she believed in and you knew where she stood! She was one of the hardest working women I know ! She is going to be missed so much! She still loved and believed in me when I felt no one else did! Her works shall follow her! I love you all!
