“ I was so Blessed to have met Melanie and Mark and Mama Donna/ and her amazing husband and all of this sweet sweet family when Miss Katelyn transfered to our hospital for the preterm Delivery of Princess Khloe!! Immediately I was drawn to their very strong sense of family and genuinely deep love for Katie and one another!! These last two years have been so challenging for this wonderful Christian family! (Melanie pretty much adopted me and we became dear friends and family!) I know without any doubt at all that Melanie died of a broken heart! She missed her KatieBugg with all that she was!! I'm so thankful she was able to be here for as long as she could... And I have a Great sense of Peace because I have no doubt that Katie and Melanie spent Mother's Day 2019 holding each other and reunited again as if no time at all had passed!! I know Mel had so many joyful firsts to share with her baby girl Katie and I'm so Thankful she was able to get Khloe thru to her 2nd Birthday!! RIP sweet Melanie!! You did all that you could do and what more could anyone ask for!! Thank you for loving me and keeping me up to date with pictures and video clips of sweet Khloe(she adored her Grams) and I know Mark and Mama Donna and everyone will keep your precious memory and that of your Katie Bugg alive and Ever present in Princess Khloe's life!! You got your wings long before you left this earth!! Until we meet again!! " Owl Always Love You Too!".. this I got from both Katie and Melanie and I have something special for Khloe that matches the Owl print I gave her for her bedroom!! I hope she still has it!! Thank you for allowing me to be a part of your life even if only for a very short time!! I feel like I'm a much better person because you two both were my dear friends(family)!
