“ Jewell, I'm praying for your peace and comfort during this difficult time. Many years have passed, but I can still see Melanie's sweet smiling face as one of my seventh grade students. God bless you all! ❤️🙏

I don't know if my post made it to the right spot or not so I'm trying again. Sorry for not being too savvy about the electrical devices. I wanted to say that Melanie was a very kind and considerate lady. She sent me a card once time ,hardly knowing me. It came to me at a very appropriate time and was well received. She was such a considerate person. She will surely be missed by many. My prayers and sincere condolences to everyone that her life touched.
