“ *Rhonda, Jamie and Sandee please accept my sincerest condolences pertaining to the passing of your mother. Although I wasn't in contact with Nadine or the rest of the family she has held a very special place in my heart for many years. There is nothing I can possibly say that will ease the pain of losing a dear loved one; however I can offer you all empathy for the loss as I have many loved one in the past years. You are in my prayers and I know that with God's help the pain will ease over the coming years. I love you all very much and have thought of you often.*
