Nelva was always so gracious in inviting our BHS BOHIAN annual staff to use her home for yearbook pictures. When I think of Nelva, I always remember her beautiful smile and willingness to help.

“ We have such sweet memories of Nelva. She was always the same when you would see her no matter when or where, friendly and so happy to see you. We’ve been gone from that area for many years but Nelva was someone you never forget.

“ Nelva had such a contagious smile that lite up the surroundings! She touched my life in so many ways - she taught my four children in kindergarten; I bought the house where we live in 1976 from their realty company; she was the best neighbor and brought me delicious fresh baked bread; we worshipped together at First Methodist. Nelva was a beautiful person, very special, and I loved her greatly!

“ As I was researching our Garrett family history in order to write a book, Nelva was the one who started me on my journey so long ago.

She always picked up the phone and called family members asking them to assist me and would tell me who to see and where to go.

I have great respect to Nelva for her love of family and her history. We are all so grateful and blessed for her work in the original Bowdon Historical Society which now holds fond memories to so many.

Rest in heavenly peace sweet lady, you are now home.

“ I remember Nelva was the one that taught me the difference in a "house top A" & a circle with a line A when I was in Mrs. Shoffeitt's first grade. I loved being around her when I could especially when we were all growing up. But most of all, I remember my mother's younger sister, Sara Jo, died when they were in high school & every year on her birthday, she sent my Grandmother a card or flowers on Sara Jo's birthday. I always thought so much of her for that & how kind & thoughtful that was. Nelva was a precious lady.

“ Nelva was an icon of Bowdon. She contributed so much to the community. Her smile would light up the room. She was a go getter and always full of energy. I will always remember the bridge parties with Nelva and David, Hugh and Ruth, Audrey and Julian and Lox and Maxine. They had so much fun together. And we miss those wonderful rolls Nelva used to always bring over. Craig and Lance, our prayers go out to you and your families.

Nelva was the first person to visit my mother, Carol Theune, when she moved to Bowdon from Atlanta, and Nelva continued to make sure my mother became part of the community. She was fun, loving and busy, a big part of why Bowdon is known as "The Friendly City."
