“ I remember looking up to Nick as a kid at Shiloh Camp meeting. Later on I became real close to Nick as a neighbor and friend. We could sit and talk for hours and never get tired of the same old stories. When I needed a friend Nick was always there. He understood the meaning of true friendship. I remember his grandfather whom Nick was given his middle name after and how he loved to laugh and talk with his friends. I guess those good qualities of friendship were passed down to him. I know I'll always remember and miss my buddy. To his parents I can't begin to understand how you feel, but I do know that he loved you both very much and that you loved him. To his children I do know how that feels and I am sorry for your loss. Rest in Peace Nick
