“ *" My Memaw was like a mother to me- well she was. She has always been there for me from cutting my umbilical cord to talking about Ian Somerholder. She did so many great things ultimately she was the sweetest, most loving, beautiful person ever! With all of our sad, good, happy, weirdly questionable, and bonding moments I miss her, I miss her so Much! Although I know She is now an Angel with God and I will get to see her again but untill then I will be waiting to tell her "I love you to the moon and back x infinity x all the stars in the galaxy equaling to
time to the moon=238,900x2=477800
x by 1,000,000,000 =4.778e+14
x infinity but ? its not a number"*

I love you memaw!
