“ Jimmy, I don't know if you remember me but I was in your graduating class. I pray for comfort for you and your family during this difficult time.

I lost my husband in 2009. No one can understand what you are going through unless they have experienced that loss. The only thing we can do during a time like this is lean on God for comfort. I ask God to wrap you and your family with angel wings.

You won't get over this but I promise you will eventually be able to deal with it.
