“ *I can't even say enough what this lady means to me!! All I know is they got a special Angel when they got Peggy!! She was like my second mom! I have a bible she gave me back from 2010 and she marked it with special scriptures that she loved with her notes.. I will always keep that next to my bedside and always have her in my heart! She was beyond the best and I know she is in a great place now as she taught me so much about the Bible and all the beliefs.. I love you Peggy!!*
