“ Mrs. Petie was my bus driver. Despite having a busy schedule and different personalities on her bus, she was the most kind and amazing bus driver. She found time to know our names individually and build a close relationship with all of us. She always knew what to say when you had a bad day. She made you feel seen and special. My heart is very heavy today learning of my favorite bus driver's passing. We love you, Mrs. Petie. Thank you for being so much more than a bus driver. You were a friend, a mother figure, a teacher, and a kind soul.

Sincerely,
Amber Zhang (Haynes)

“ I loved Petie, didn't see her often, but recently ran into her in Sam's. She was just as sweet as she ever was. My Mother was one of 10 brothers and Sisters with Petie's Dad being the oldest boy and My Mother being the oldest girl. From those 5 brothers and 5 sisters, our generation, consisting of Petie and I and a whole bunch of other grands were born. We became an elite group of 51 first cousins after a while, ranging in age now from me being the oldest at 78 down to a 50 year old. Of that 51, about 22 or so have passed away already. So, with that crowd in Heaven waiting for her, I can just imagine what a good time they are having. It must be a glorious family reunion and none of them had to bring the fried chicken. She will be so missed when there is a get together here on earth, but it can't hold a light to where she is now. With much love Martha Sprayberry (Mott to the cousins)

“ *It has been an honor having known & loved Petie for 31 yrs. as a great friend & sister in Christ. She was truly a great Christian wife, mother & grandmother to her family; a great blessing to our church family especially with her beautiful singing & friendship. I was happy to share with her our love of AL Crimson Tide football. Our deepest condolences to Bro. Gary & his family at this tragic time. We are broken hearted but will see you again in Heaven.*
