“ Richard and Cecelia, I was so sad to hear of your mother's passing. My family lived next door to Miss Queen and Mr Willie for many years on Marshall Street. I have such fond memories of both you parents. One of my favorites being Halloween when she would make us special treats and have my sister, Susan, and me over. They always made us feel special. Their friendship continued after the move with your mother visiting and giving comfort when we lost my father and then visiting at the nursing home before my mother passed away. I know that you know how special she was but I wanted you to know that she meant the word to the Scroggins family.

Sincerely, Sharon Scroggins Davenport
