*My wife Peggy Jackson Hughes, Randle, and his wife Linda were all the same age. Randle went to school in Ranburne, and Linda and Peggy went to school in Bowdon. They were always special cousins. I liked Randle the first time I meet him.*

“ He was such a sweet person, very caring and hard working. We loved him as if he was a family member. We've known him only a few months but grew very attached to him. He always pulled up to give "his best buddy" my daughter candy, making sure everything was going well with us. Sammie's 2nd birthday he came by for a piece of cake. He was the best, I will never find another landlord like him. We will miss you very much!
