“ Randy was one of my favorites in my family (2nd cousin) Growing up we gathered at my great grandma (L.V.) house on Sunday for dinner after church. And had a table full of the best cooking ever. We as a family all about 12 of us sit around the table and had the greatest time.

“ A true friend. From the first day i met Randy we became friends January 7 2002 .It was our first day of work at HMA. From riding 4 wheelers together to shooting skeet in his backyard life was adventure. Spending time with his family was the most important to Randy, and to be apart of his family gatherings was a blessing . Alan and Kathy Elders
