“ Many years ago Becky was my third grade teacher at College Street School. She was one of my favorite teachers throughout my school years. Besides her great sense of humor, I remember her storytelling talent. She used to read the Uncle Remus stories to the class and made them so much fun to listen to! My condolences to you upon her passing. She was a special person.

Sincerely,

“ Thinking of you all, Becky was a very special friend, teacher, and second mom to Holly. I never had to worry about Holly when she was at your house, I knew Jimmy and Becky would treat her like their own. She was also an awesome teacher to Holly and to Heather. Love you all

“ *Jimmy and family, my heart is broken for you in the loss of Becky. I was privileged to teach with her at College Street in the early '70s. Becky, Betty Roberts, and I made quite a dynamic team until I moved to CT. She was mightily loved by her students, their parents and her co-workers. My prayers are with you and the children and grandchildren.*
