“ I had NO idea she had past away till today 2/13/16. I went by Dabners grave to put some flowers on there and saw a fresh sight beside her. I am so sorry I would have been there. I can remember talking to Retha when she came by to pick up some meds for Dabner. As we talked she told me that Glen was going to be doing field trials. Well crazy me misunderstood what she said. I called Dabner when I got home I know her daddy had something to do with a murder trial. Of course she calls her mom and she cleared it up and Dabner called me laughing so hard she could not talk. I loved Retha like she was a part of my family that lives up North Ga and I didn't get to see very much. To each of the family Our thoughts and prayers are with each of you. God Bless and keep each of you. 🙏🙏🙏🙏🙏🙏
