“ Lynn, Cheryl, and Katy, It is so hard to believe that you have now lost your Dad. He was such a fine person and role model for the young and old when all of you lived in Carthage. Of course, you know I am biased, since I loved your Mother, Joy, like a sister. Rob was the solid rock for all who knew him. I can see him now, bringing you three girls to the "Cajun Cool" for your favorite treats, and his smiling face at church on Sundays.. There are so many good memories of the entire McGarity Family. Much love, Ouida W. Williams

“ I have so many childhood memories with my next door neighbors Robin, Diane, and Karen. Robin was patient with us younger girls...teaching us to play ball, catch lightning bugs and put them in a jar, run and play outdoors all summer long. Later, we thought it was so cool when he drove us to school. I will always have the mental picture of him and his dog Pinky roaming the outdoors. My sincere sympathy to the family in this time of grief,

“ Lynn, Cheryl and Katy I am so sorry for your loss... I will always remember your Dad as the kindest and sweetest man, he was so good to my Mother and our family after my Father died. My Mother enjoyed working with your Dad at International Paper Company in Carthage and I will be forever grateful for the way he always looked out for her and my youngest brother, David. Wish we, The LeBlanc family could be there to support you all in this time of sadness but know that you are in our thoughts and prayers.

With loving memories,
