“ *Just to let everyone know, my uncle was THE funniest person! It's so sad that he's gone but when i think of him I can't help but smile. My earliest memory of him I think I was 2 (or younger) and he had a fake "poop" and set it up in his kitchen floor so i would find it. I hate that we don't have a decent car and that couldn't go visit him or other family members but i love you guys all so much.* ”
