“ I am so very sorry to read about the passing of Ronnie, he was a long time customer of mine, and I always enjoyed our chats when he came in for his haircut, my thoughts and prayers are with his family, I have been missing him, I tried to text him one time after his last haircut, because I know he was very sick, but I did not know until today that he had passed away, my condolences to the family.

“ Ronnie, when you came to stay with Jeff and me, I told you that I would do everything I could to make sure you got the best care possible. I meant that with everything in me. It has been a long, hard road for you and me, and I am honored that I could be that person for you! I hope you know how much you were truly loved by all of us! I hope that you are hugging your momma and shaking your daddy's and brother's hands right now!
