“ *Our deepest condolences on the loss of Sandra Kay. She was a country girl, who embraced her roots tenderly. To everyone who met her, she made a friend. She was a kind, caring, and loving woman, who shared her friendship and her faith with all. She will always be an example to young women growing up in the South, and to me she will still be the little girl who would share an RC and one of her grandmas fried pies. Your time was too short here, but I know we will meet again in the hereafter. Rest in Peace dear girl.*
