“ I grew up knowing Sandra, then followed her all through school. She was always ready with a smile, joke or laugh and brought fun whenever she entered a room. She and Kenneth are laughing together once more.

“ I remember Sandra and Kenneth well. I worked with them on the late 60's, early 70's. Very sweet people. Haven't seen them since. So sorry for the family and I think I remember, Kenneth passed a few years ago.
