“ *Shelia was a wonderful person who always thought of others first. I had the pleasure of working with Shelia at Wal-Mart, and will always remember her for her ability to laugh when times were bad, her amazing spirit that was contagious when you were around her, and her work ethic. She loved her family deeply and always wanted the best for them in eveything they did. She will be truly missed but know she is in a much better place.*

“ *Greta, Melissa, Blake and Zach I am so sorry for your loss. Sheila was an amazing person, I loved talking to her online, and I will miss that dearly. She always seemed to have the right words to say when I was feeling down. It's a shame there are not more people like her in this world..... she was truly one of a kind.*
