“ Sherry was always a straight forward kinda girl. I met Sherry through her sister, Donna. We were friends but wondered apart over the years. She loved with all her heart and we all knew that. Her spunky nature and dry wit will be missed. Love you girl - Eileen Nelms Harcrow 🙏🙏🙏💕

“ I am so sad to see this posting of Sherry's passing. I met her in college in the early 80's and we became instant friends. Lots of riding around Carrollton in her firebird took place and she was just the sweetest person you could ever know. My prayers are with her family - especially Donna whom she loved with all her heart. I know Heaven just got a little brighter when this precious lady stepped through the gates.
