“ Spent many days and late nights playing pool with Stanley at the store and at his house , we always had a good time and lots of laughs, haven't seen him much the last few years but I always knew he was still my friend, he was definitely one of a kind and will surely be missed but never forgotten .

*He smiled like that at our reunion two weeks ago. (BHS Class of 1961). The happiest his classmates had seen him in a few years. He said he had the best time and thought he spoke to everyone there.

Stanley was a great friend to Thomas and myself as well... he loved to joke and tease people, he always reminded me that I was older than him (by a few months) and just laughed that special laugh. We got to know him and his family when he had the store at Tyus.. praying for the family as they go through the tough days ahead, Stanley you will be missed....
