“ *There are too many memories to share just one. I've known Steve since he was a baby and his family since way before he was born. His grandmother and grandfather were my aunt and uncle. As the years have passed, I haven't seen him as much, but each time we did meet, I always got a big smile and a hug. He reminded me so much of his dad, Byron, and his mom, Betty Jean. I was shocked at his sudden passing. My prayers and thoughts are with his family and friends. David and I will not be able to attend his service as we are out of state and will not be back until next Wednesday. Goodbye, Steve. Love to your family and friends, Anna*

“ *I was shocked to hear of Steve's death. I send my prayers and deepest sympathy to his family. Steve was a good man and a good friend. I spent about an hour talking and laughing with him several weeks ago. I never thought it would be the last time I would see him. Steve was a very kind and warm person. I am deeply saddened to lose such a friend.*
