“ Mr. Steve became my best friend i only had 2 best friends . We did a little work together we talked about things but wasn't none of that gossiping he did not like it neither did i . If i was able and he called me i would put everything aside for him. The best thing you can say about him i called him honest Abe sometimes . He was one of the most honest people i know of . I will say this with out a hint of regret . And that is i am truely glad i met one of my best friends and if God came today i would be gladly to give my life for that man. That's without a shadow of doubt. He will be greatly missed and God is getting one of the finest men i know
