“ He was the kindest most loving man..Would give you the shirt off his back if he thought you needed it...He didn't know how to say no to anyone...My fondest memories of him ... Taking me to dinner at Red Lobster every time they had all you could eat Shrimp..And meeting him at the Waffle House or Huddle House in Villa Rica for breakfast..He always called me baby and I always knew if I was upset or hurting in some way I could call him and he could make me feel better.. He was my double first cousin.....His mom and my mom were sisters and his dad and my dad were brothers...When we were growing up until now I always knew what a perfect ANGEL he was..Now I know God had a better plan for him and he will always be my Angel that looks over me and his family from Heaven...No more pain and no more suffering for this wonderful perfect man...I LOVE YOU my dear cousin until we meet again...RIP Love forever Rita. To Lee , Chris and all his family in my eyes he was one of the greatest... Love y'all bunches and bunches...
