“ *The world lost a beautiful soul the day Tammy left this world. She was kind, sweet, giving & caring. It was an honor to have been her childhood friend. She was a great mom & a joy to her family. She will be gone, but never forgotten. Rest in the arms of Jesus, dear friend. We love you.*

“ Marie was my wife for over 14 yrs of the yrs we were together. During that time our miracle son Gabriel (Gabe) was born. I had shared some of the best yrs of my life with this woman during our time together. Right or wrong of how we got together my world became so much smaller this past Saturday with her passing. We got one last CHRISTMAS together and I'll never forget how happy she looked unwrapping her presents and how much she liked what she had got. I love and miss you so much. I truly lost my other half.

“ *This woman was the best thing that came into my life at a time when I needed someone to believe in again. We made a life together regardless of what we both gave up and whatever anybody thought of how we got together. Right or wrong we knew we belong together. We were able to make a marriage last until a short time ago but we had made so much progress to hopefully getting back together in the future until she unfortunately passed away. I love and miss that woman so much.*
