

Mrs. Teresa Diane Harris

February 25, 1960 - May 25, 2026

Teresa Diane Harris, born February 25, 1960, passed away surrounded by the love of her family.

She was preceded in death by her parents, Ben Colen Harris and Joan Janette Harris of Ranburne.

Teresa leaves behind the love of her life and devoted husband, Jackie Thomas Green, who was truly her best friend. She is also survived by her sister: Judy & Roger Langley: three children: her daughter, Shasta and Jon Jacob, Scott Stinson and Aleah Brock, and Caleb and Melanie Stinson: 7 beloved grandchildren: Emma Lee and Ezekiel Norton, Cody and Kaela Causey, Cora "Shugg", and Caden and Gavin Stinson; and her treasured fur babies, BitBit, Buddy, and newcomer, Sparky.

Family was the center of Teresa's world. She loved spending time keeping up with her children and grandchildren on social media, reading about their lives, watching television, and talking with her husband for hours. Her love was steady, loyal, and unconditional.

For more than forty years, Teresa dedicated her life to caring for others as a nurse. Her compassion, strength, and generosity touched countless lives throughout her career and beyond.

Teresa was also a fighter. She courageously overcame stage 4 cancer, and last month her daughter and grandson Cody were able to bless her with one final trip to the beach — a place she dearly loved. It became a special memory filled with love, peace, and celebration of her incredible strength.

Though her family's hearts are broken, they find comfort knowing she is now free from pain and at peace. Her love, laughter, and caring spirit will remain with all who knew and loved her forever.

The family will receive friends at Rainwater Funeral Home on Saturday, May 30, 2026 from 11:00 till 11:30 a.m. Services will be held after the visitation beginning at 11:30 a.m.

Afterwards, in honoring Teresa's wishes, a graveside service will be held for family and close loved ones.

The family asks for continued prayers during this difficult time.

“ I’m going to miss just talking to you on the phone and you laughing until you get a horse. Going to miss you telling me not to touch anything. I already miss your kisses and your hugs and your daily phone calls or messages. I miss laying out in the sun with you and us talking for hours, and I miss just knowing that you were there but I’m so happy that you are resting peacefully, and the wings of MawMaws & Pawpaw. I love you more than you’ll ever know.

“ In high school she was my best friend. She was my maid of honor at my wedding. We were not as close as we got older but when we did it was like we were still those best friends from high school. Praying for the family as they adjust to life without her here. I will always love my best friend from high school. Fly high my friend. Love you forever.
