Many memories of Poncho, all are good. Seeing him on a bulldozer in our backyard cleaning out space to soon become our swimming pool. At the scene of an automobile accident in the curve at Farmers High. At the Bowdon football games with his dog, and seeing him with his family out eating. A very pleasant personality with a great heart. It really saddened my heart and soul to have a loss of an outstanding community leader such as Terry. My heart and prayers go out to his family and friends.
