“ I had the opportunity to work with Tim in Utility Sales many years ago. He was well-respected by his coworkers and customers. Tim was consistent, quietly did his job, was kind to everyone, and shared a bit of humor from time to time that made all of us laugh! Those were good days, and I will never forget the impact Tim made on my life! To Tim's family...I am praying for you as you journey through this time of transition. May each day bring you renewed comfort and strength.

“ Mary Frances, Cindy, Andy and the entire family. Was so sorry when I got the news about Tim's illness and now his Going Home. I know you all are missing him, but hold close all those wonderful memories you have. I especially remember at Sand Run whenever he got in trouble with his Mom, you'd know it by her calling out to "Timothy Lewis", only times you'd hear his middle name!!! Sending my love and prayers your way. Also want to reach out to Bonnie and Sandy, and their families sending love to them also. Will keep you all in our prayers. Love, Betty Blaker French and family.

“ Tim was a great person. He was loved by his friends at Southwire. He was loved by his customers. Tim was a caring person. He drove to Memphis, TN to Gerald Thompson's funeral. He started a fund for Vic Bruno when Hurricane destroyed Vic's home. The world is a better place because of Tim.
