“ *“Ben” Jones, as he was known in Amoco Fabrics, was a Mentor to me when I was hired as a young engineer into the company. As the years went by, he became a good friend and colleague. All the best to Charlene, Tephania, Shadd, and family at this difficult time. John Long*

“ *One of my earliest memories (and indeed it is an odd one) was at a hog-killing where Tommy and a friend chased me with pig parts. It was probably where I learned how to truly run. My more prevalent memory of Tommy, however, was that he was indeed a fine, good, upstanding individual, and I am honored to have known him. May God comfort and bless all at this time and beyond,*

*My memories of Ben Jones were at WSA and whenever he walked by my desk he would say "Roll Tide" knowing I was an Auburn fan. :) We would talk a little football too. He was a fine man and will truly be missed. Sending my deepest sympathy to his family and loved ones. They don't come much better than Ben Jones.
