“ Tony and I began school together in Mrs. Foster’s first grade class at Bowdon Elementary. Time passed quickly as we enjoyed our school years, bonding with classmates and going on annual field trips. As #53, Tony was one of our football team captains and part of the “Goose Egg Bunch.” While preparing to graduate Bowdon High in 1976, we were paired together as Senior Superlatives. The resulting yearbook shot is one of my favorite pictures and how I always remember Tony. We were also co-workers in the Cutting Room at Lamar Mfg. Company in our late 20s. Now many years later, it is so sad to hear of Tony’s untimely passing. He was a man of few words, but his smiles always lit up his eyes and you listened closely when he spoke. Tony was special to me and my classmates and his memory will always be held dearly in the hearts of the BHS Class of ’76.
