“ This was apparently my father, I have no memory of him and I couldn't even begin to describe what he looks like, I've never even seen a picture. I looked him up by name just to realize that my first name William comes from him, I never knew. If someone has some memories of him or some pictures to show me, please reach out to me, I'm curious to find out about him. 470-388-4861

“ chris was and will forever be the love of my life. Time has changed nothing... Not my love , not the pain of losing you Chris. The love and the memories will live on till I'm with you again my baby. Gods most wonderful blessing to me , my kids and grandkids, we will forever be thankful for all that you brought to our lives, the daddy and papa you didn't have to be but loved being, the best friend and soulmate a person could ever ask for, you provided and loved with all you had, you gave more than anyone else I know , there has never and will never be anyone else in this world like you, my life and my heart has never knew so much love!!!
