“ Dear "Miss Dean", Steve, Gail, and Carol,
I was so saddened to hear of Dr. McMahan's passing. So many memories come to mind but one in particular is when one night I was sick with a migraine and Mama called Dr. McMahan. He met us at the store late at night to provide me with medicine. I will never forget his caring and compassion. All of you and your family are in thought and prayer.

“ Ms Dean and family,
We are so sorry to hear of Doctor Mac's passing. He was such a sweet person, always taking care of everyone who came to him. I have alot of fond memories of visiting with him at the drug store. I think we all miss seeing him ride his bike through Unadilla. Our community was lucky to have a person you could call in the middle of the night and he would meet you at the drug store to get your medicine or help in any way he could. He will truly be missed!! My prayers and thoughts are with you during this time of sorrow.
