“ I didn't know. I'm so sorry. Wilma did my Mama's hair for years & she used to cut mine when I was little. Mama would try to trim my bangs to last between haircuts & Wilma would tell her she was going to give her a spanking if she didn't leave my hair alone. I remember having to sit on a shelf across the arms under the hair dryer so my head would go under it. I always smile when I think of her and when I ride by where their store & shop were.
