“ *GOD BLESS YOU my husband. I love you forever. I'm so sorry i let those two nurses hurt you and distress you causing your death. When they kicked me out i should of taken you with me cause you were fine and i let them torment you. Please forgive me. I hope those nurses when they lay their head down at night see your face crying out GET ME OUT OF HERE they are going to make me die. He was of sound mind and good enough to go home and the nurses hurt you so bad but GOD took you to a safe place. Thank you GOD!*
